

NGO "Saunas to Ukraine" 10th Sauna Complex Report

General background: The goal of NGO "Saunas to Ukraine" is to send a total of 10 mobile sauna and laundry complexes to the front line, each of which can serve an entire battalion.

In the early morning of March 14, 2026, the tenth sauna complex, together with a support vehicle, departed from Vahi Industrial Park toward Ukraine.

The 10th sauna complex went to the Azov unit.

Supporters: The main partners in preparing the 10th complex were Rotary Club Tallinn Vanalinn, OÜ HUUM, DesignWild OÜ, Foodforce, Lavanno OÜ, TRBet OÜ, LGT Konsultatsioonid OÜ, and Carrero OÜ. The largest financial supporters were OÜ HUUM, Foodforce (Kommivabrik OÜ), and many other companies and private individuals.

Sauna Truck Concept

Mobile sauna truck

1. Sauna room - allows approximately 15 fighters to take a sauna and relax at the same time.
2. Shower and washing room - the washing room is equipped with four showers. It is also used as a changing room.
3. Laundry - equipped with four industrial washing machines and four industrial dryers. The set also includes a 33 kW generator, which ensures autonomous operation of the whole system, as well as water tanks and hydrophore pumps.

The laundry can service up to 500 sets of fighters' equipment per week.

The complex also includes a support vehicle, which supplies water and fuel when needed and transports equipment.
